

# Armonk Lions Fol-de-Rol Sponsor Application

The Armonk Lions Club's annual fundraiser, the Fol-de-Rol Festival and Crafts in the Park, makes it possible to create community service projects, to help people in need and to raise money for charitable causes. We have underwritten many projects in North Castle and have contributed to many charitable causes in Westchester and beyond ([www.armonklions.org/we-serve.html](http://www.armonklions.org/we-serve.html) for more information on past donations). The Club has also donated relief monies through the International Lions Club. Please see the sponsorship opportunities below.
